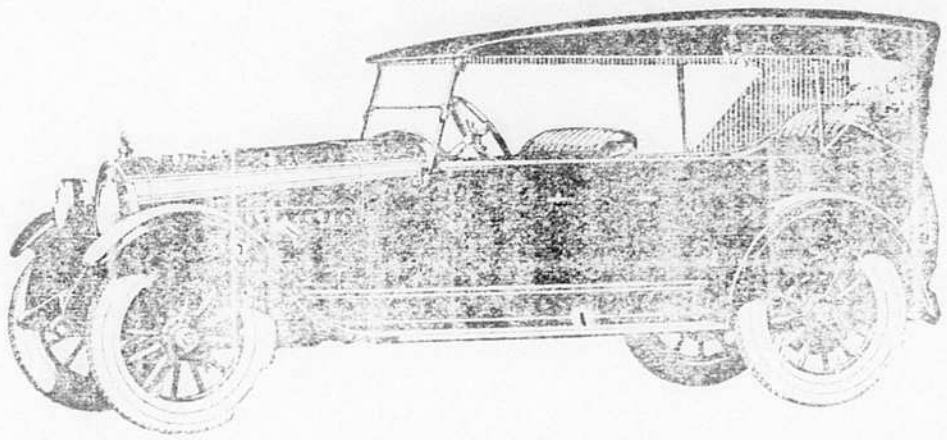
HUDSON



An Even Finer Super-Six

Those who drive today's Super-Six call it the greatest Hudson ever built. No car excels it in performance, reliability and lasting endurance.

Now to these famous qualities are added refinements that assure instant starting, smoother operation and greater economy in fuel, oil and maintenance.

No wonder, as for nine years, it is outselling all fine cars, and by a greater margin than ever.

Nuxated Iron is iron just as it comes from the action of strong acids on small pieces of lean raw beef.

Over 400,000 people annually are using Nuxated Iron. It will not injure the teeth nor disturb the stomach. A few doses will often commence to enrich your blood. Your money will be refunded by the manufacturers if you do not obtain satisfactory results.
