Re: TUTU WELL FIELD PRP GROUP

Dear Andy:

Enclosed is a brief draft Agenda for our meeting on March 24 in St. Thomas. Our general approach will be to update you and Carolyn on the status of both the PRP Group and Geraghty & Miller's work. In addition, we would like to discuss the status of certain de minimis issues, which will be spelled out in more detail in a letter to you early next week.

We look forward to your input and we would be happy to modify the Agenda to include any issues that you would like to discuss.

Thank you for your willingness to meet with us. I look forward to seeing you on St. Thomas on the 24th.

Sincerely,

Timothy R. Knutson
