

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION II

DATE:

SUBJECT: Full Validation on Seven Groundwater Samples on Tutu Wells Site

FROM: Melvin Hauptman, Chief
Eastern New York/Caribbean Superfund Section II

TO: Kevin Kubik, Chief
Toxic & Hazardous Waste Section

Full validation on six (6) groundwater samples and one (1) trip blank is requested from your office. Enclosed please find the complete analytical package, including chain-of-custody records, volatile data, sample data, standard data, blank data and run logs for the above-referenced samples.

Please contact Ms. Caroline Kwan of my staff if you have any questions.
