"A country that descends so low as to be governed by the masses is not a fit place to live in."

Bolshevism is an example. Now that's what would be the case if you vote the wrong way.

Here's your ticket.

ABRAMSON
TEYTAUD.

VOTER.

To the Electors of Christian-
sted Town & Suburbs.

One "Sam" in his letter of yesterday's date reminded you that when you go to Vote, you should vote the Independent Ticket that is Abramson Teytaud. That's right, be sure and vote no other. Listen to the voice of your conscience and vote the straight ticket. See the example that our beloved Dr. Canegata has given, follow him; he, along with other men of Principle is satisfied with the nomination of Mr. Teytaud. Mr. Teytaud is a man that can be taught, and is willing to learn, now, tell me which of the other candidates will be controlled?

Alexander and Chabert may be good citizens, and capable to represent, but believe me they won't suit, particularly at this trying moment.

Joe, keep quiet; Chabert attend to the Labor Union's affairs. We quite remember the memorable first day of December 1920. Say Brothers is there a split between you now, just a few months ago you were company, now you are divided, what is the trouble?

London, April 25th.—Renewed efforts to find a basis for a settlement of the dispute between the coal miners and owners were made this morning. Representatives of the owners and the Executive Officers of the Miners Federation met here in joint conference with representatives of the Govt. The

owners submitted a detailed statement of their proposals and it is understood the possibilities of a temporary settlement were under discussion. The owners, it was stated, were prepared to advocate a temporary agreement for a period of three months, after which a permanent settlement would become effective, embracing a standard and a thus standard profit. The temporary agreement would be in nature of a compromise between the national wage basis, desired by the miners, and the district basis, desired by the owners. Shortly after noon the conference adjourned until tomorrow, when Mr. Lloyd George will preside over its deliberations.

London, April 25th.—Mr. Lowther, the speaker, resigned his seat in Penrith, Cumberland, today, having first been elected there 25 years ago. The seat will now be contested by Sir Cecil Lowther, a brother of the retiring speaker, who will represent the coalition interested.

London, April 25th.—The Prime Minister stated in the House of Commons this afternoon that if the new German reparations proposals which had not yet been received, proved unsatisfactory, Great Britain would support France at next Saturday's Allied Conference in her proposals for the occupation of the West-Phalia.

Paris, April 25th.—Entire satisfaction at the result of yesterday's conference at Lympne, England, between Mr Briand and Mr. Lloyd George was expressed by newspapers here today. The "Echo de Paris" declared that the energy of M. Briand had convinced Mr. Lloyd George of the justice of the French point of view. The newspaper adds that the two Premiers were agreed on the necessity of the United States resuming her place in the Supreme Allied Council.

London, April 25th.—A decision as to what action the Allies will take in enforcing their reparation demand upon Germany had been deferred until next Saturday. On that date the Supreme Allied Council will meet, either in Paris or London, and it may be the United States by that time will have formally communicated to the Entente the contents of Germany's latest proposals.

Washington, April 23rd.—A resolution requesting the President to open negotiations with Great Britain and Japan, with a view to a substantial decrease of naval expenditure was introduced by Representative Budox, Republican, Ohio, at yesterday's session of Congress.

Bedford, April 25th.—Mr. Kellaway Coalition Liberal, has been reelected to the House of Commons for the Bedford Division of Bedfordshire over Mr. Riley, Labourite, it was announced today. The votes were Kellaway 14,398, Riley 9,731.

Berlin, April 25th.—Germany's counter proposals on reparations, it was learned today, refrain from proposing the assumption by Germany of Allied debts to the United States.

Berlin, April 25th.—Payment by Germany of 200 billion gold marks for reparations is roughly the proposal submitted by Germany for transmission to the Allies, according to sources close to the Govt. The payments will be spread over a period of from 30 to 40 years or less, according to Germany's economic recovery. Economic pledges in the way of goods and participation in Germany industries are offered as guarantees, it is stated. The offer, is stated inclines more towards the terms formulated by the Allies at the Paris Conference, last winter, than to the offer made by Germany at the London Conference, which the Allies summarily rejected.
