Special Notice

DR. THEODORE NIELSEN, D. C. of the New York State College of Chiropractic will give an open air lecture on the Public Wharf on SUNDAY AFTER-NOON Oct. 16' at 3.30 P. M. (weather permitting). Subject: Hypocrites in the Churches.

If possible there will be a Brass Band in attendance. Bring your Sankeys with you.

Post Office Notice

COMMENCING Saturday, Oct. 23, 1921, this office will be closed on Saturdays at 4 p. m., and the hour for closing the mail for Saint Thomas, Porto Rico and the United States will be extended to 4 p. m., instead of 3 p. m. as at present. This change is occasioned by the fact that owing to the continuous demand for service at the post office windows on Saturdays until 5 p. m., it is practically impossible to divert the necessary attention to closing and dispatching the mail which should reach Frederiksted at a certain hour, and entails considerable time to make up. While general business will be suspended at 4 p. m., the public will gain one hour additional in which to catch the outgoing mail, and it is calculated that this arrangement should redound to mutual advantage for patrons and the service. As regards the mail from Frederiksted, it is so arranged that this will be delivered by 4 p. m. The earnest cooperation of the public is invited in observing the proper hours in which post office service will be given patrons, and it must be enjoined that, while it is sincerely desired to extend the maximum facilities an accommodation to all patrons at all times, demands for service when the office is necessarily closed for the taking up of specific duties, manifestly operate against the efficiency of the service and should be discouraged.

WEAK WOMEN

cannot hope ever to become strong and well again unless they have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not injure the teeth nor upset the stomach; it is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalizes worn-out, exhausted nerves and give you new strength and energy. Over 4,000,000 people annually are using it. At all druggists. Beware of substitutes. The genuine has N. I. stamped on every tablet. Always insist on having the genuine.
