## The Brass Bullet

Episode 11: EVIL WATERS.

Episode 12: CAUGHT BY WIRELESS.

The fortune left unconditionally to Rosalind Joy is the object of wicked scheming to make her forfeit the money.

Rosalind's uncle Spring Gilbert has forced her to marry Victor King.

Jack James battling against Rosalind's enemies is on his way to rescue her from the clutching of a paid assassin engaged by Gilbert.

Come and see how Rosalind was rescued by Jack James and Dr. Garfield from the assassin engaged by Gilbert, and her new perils on her arrival at Pleasure Island, here again the untired Jack James save her in the last minute from being drowned in the underground passage running from the murdered Homer Joy's Laboratory to Mrs. Strang's Cottage.

The fortune which King and Gilbert has carried around has disappeared.

Jack James and Rosalind escape from Pleasure Island with the intention to take a Steamer at Frisco, after entering the Steamer new perils meet them.

"WHO IS THE AVIATOR???????"

Show concluding with 2 Reels Comic.

## NOTICE.

THE Inspection of the general annual repairs of the Public roads, with Bridges, Culverts, water courses, side walls, hand rails, etc. etc. shall commence after the 15th February.

All roadholders are therefore requested to have their respective allotments in good order by that date.

As it has been found during the Inspection last year that the trees and bushes along the roadsides were not trimmed, and therefore are an inconvenience to the Public traffic,

It is the Owner of the land, who is responsible for keeping them, from inconveniencing the Public, or damaging vehicles on the roadway and will be held for damage.

Boundary posts must be plainly marked, on each allotment and planted firmly in the ground.

When the Inspection is completed, and the roads found in order, the Roads will be Reallotted, for the next term.

The Editor St. Croix Avis:

In your issue of today you refer to the prices of milk and beef which you understand it is being considered to increase to 15 cents a quart, and 10 cents a pound, live weight, and you mention the fact that already at present prices many must forego these articles as luxuries beyond their means.
