Physician Explains Who Should Take Nuxated Iron

Practical Advice on how to help Build Up Great Strength, Energy and Endurance

"Lack of iron in the blood not only makes a
man a physical and mental weakling, nervous,
irritable, easily fatigued, but it utterly robs
him of that virile force, that stamina and
strength of will which are so necessary to suc-
cess and power in every walk of life," says Dr.
James Francis Sullivan, formerly physician of
Bellevue Hospital (Outdoor Dept.), New York,
and the Westchester County Hospital. "It
may also transform a beautiful, sweet-tem-
pered woman into one who is cross, nervous
and irritable. I have strongly emphasized the
great necessity of physicians making blood
examinations of their weak, anemic, run-
down patients. Thousands of persons go on
year after year suffering from physical weak-
ness and a highly nervous condition due to lack
of sufficient iron in their red blood corpuscles
without ever realizing the real cause of their
trouble. Without iron in your blood your food
merely passes through the body something
like corn through an old mill with rollers so
wide apart that the mill can't grind.

For want of iron you may be an old man
at thirty, dull of intellect, poor in memory,
nervous, irritable, and all 'run down,' while
at 50 or 60 with plenty of iron in your blood

you may still be young in feeling, full of life,
your whole being brimming over with vim
and energy.

But be sure the iron you take is organic iron
—Nuxated Iron—and not metallic iron which
people usually take. Organic iron—Nuxated
Iron—is like the iron in your blood and like
the iron in spinach, lentils and apples, while
metallic iron is iron just as it comes from the
action of strong acids on small pieces of iron
filings and is therefore an entirely different
thing from Nuxated Iron. Nuxated Iron rep-
resents organic iron in such a highly concen-
trated form that one dose is estimated to be
approximately equivalent (in organic iron
content) to eating one-half quart of spinach,
one quart of green vegetables or half a dozen
baked apples. It is like taking extracts of beef
instead of eating pounds of meat.

Over 4,000,000 people annually are using
Nuxated Iron. It quickly helps make rich
red blood, revitalize worn-out exhausted
nerves and give increased strength and
energy. Your money will be refunded by
the manufacturers if it does not produce satis-
factory results.
