

VOTE FOR ABRAMSON & TEYTAUD.

the Colonial Council closed yesterday with the retiring members Messrs. Thos. Ramsay and R. W. Skeoch as the only nominees, whose election is, therefore a foregone conclusion. The candidates for the by-election of a member vice 2nd member for this country district McKay resigned, are Messrs. James Roberts and Svend Jørgensen.

The balloting for the town election begins at 1 p. m. today in the court room at Government House, entrance by the gate opposite Mr. La Bega's ice shop.

The mail-boat Creole with 20 odd sacks mail from Porto Rico and St. Thomas arrived here yesterday morning. The return trip will be made Monday evening.

FINAL ELECTION ADVICE.

W. S. Abramson and A. Teytaud are the men, that uninfluenced and unbiased-minded Voters are endeavouring to elect to the Colonial Council to represent the town and suburbs of Christiansted. And why so? Because there are sound and substantial reasons for so doing; and we are prepared to stand by those reasons.

First of all, Abramson has proved to us during the last four years of his service there: that he is a man, determined to consider and oppose measures that are against the people's interest and welfare; and to look out and introduce and support that which is for their good and comfort. Remember how he opposed the Prohibition Bill, and afterward moved and helped to repeal the same. Those were measures severally against and for our comfort, and nine-tenths of the Island's population dare not deny this. Other like important matters too. But Abramson has not been behindhand in stepping out for the ordinary man's satisfaction.

Some one in West End News the other day referred to Bill Abramson as the man with long legs who travels fast, but he is not only long-legged, he is also broad-shouldered, and when he stands up in the Council Hall he creates an impression, and with his common-sense talk, especially when he rolls those eyes of his and shakes his head on the right, his brother-Members are compelled to have a care for Abramson. He is no mere "seato-ccupier", half the time asleep. He is no Slacker. He is to the front always, and faces the foe with determination to win—and does win too.

His partner Teytaud, is a young man, it is true, but a young man, genuine, true, and dependable (we know him well, a firm M. I. S. man). He is also without interests to consider outside of those he is bound as an honorable man to serve, namely his electors. Some writer observed that he is not independent, be-

ing an employee; but we will remind that writer that Teytaud is an employee of a foreign Company having no interest or concern whatever, locally or else. Teytaud is perfectly independent of any person or persons weal; and when once he becomes a member of the Council, we believe he will prove a disagreeable surprise to those who are today against him, as he will also, more than satisfy his electors.

Brother Voters; Never mind the night private-meetings, telling you things behind closed doors which could not be guaranteed, but vote in the open-headed, open mouthed, daylight dealers among the Candidates, Vote for:

W. S. ABRAMSON
A. TEYTAUD

Yours truly

MANY VOTERS.

To the Voters of Christiansted:

Judging from the many public letters exposes and correspondences and notices we have seen lately, coupled with the fact that some officials are now trying to make the St. Croix Avis their official or semi-official organ, instead of the Herald. Things are certainly not working well in the Labor Union Camp.

Wouldn't it therefore have been better policy that before the President try to advise others that he put his own house in order first? If he is to make the same kettle of fish of the Colonial Council, and the rest of St. Croix as he has done with the Labor Union, then for Heaven's sake let us all beware of him and his party.

STRAIGHTEN OUT THE UNION FIRST, then it would be time to expect the electors to have some confidence in your leadership. Show us that you are a man of substance and not a man of straw, cut out the bluffing. Does any body really believe that if perchance Chabert is elected he will remain President of the Labour Union any longer than is necessary to throw sand in people's eyes?

Some men have existed long enough by trading in the ignorance of the masses. Is it creditable that they can afford to rub their faces with brass and impose on those that are little bit better informed too?

ANTI-HUMBURG.

VOTERS FOR CHRISTIANSTED,
AND SUBURBS.

Be Ye Not Deceived. The enemies of FAIR-PLAY, and the friends of INVISIBLE GOVERNMENT tried, and tried hard to practice a high FRAUD on YOU, by placing on the ticket the names of

four men, who at the time that they were placed there, were not, nor are they now seeking election to the Colonial Council.

Teach them a lesson in honesty by voting for these two candidates, make your X mark, on lines 3 and 5 at the names of

Joseph Alexander, line 3;
R. de Chabert, line 5.

and by so doing, you VOTE FOR YOUR HOME AND PROGRESS:

A MAN.

Editor St. Croix Avis.

Dear Sir.—

While we admit that Candidates or their supporters will go far in securing election to the Colonial Council, we vehemently condemn everything that savors of UNFAIRNESS.

When Mr. Wm. Abramson himself a candidate, took steps on Tuesday before closing of the nominations, to enter on the ticket the names of John Alexander and Andrew De Chabert it is time that we voters open our eyes and resent such conduct from one seeking an Office of great Trust.

The above gentlemen are supporting strongly two of the Candidates, and if there were any remedy in the law that would permit the omission of their own names from the ticket they would resort to such remedy.

Mr. Abramson's object is clear: Some of the voters would be confused over the names, Jno. Alexander and Jos. Alexander, C. A. de Chambert and R. de Chabert, thereby some votes intended for Jos. Alexander would fall on John Alexander, and votes for R. de Chabert would fall on C. A. de Chabert. This would lessen the chances of the two candidates in favor of Mr. W. Abramson and his "Chum".

Say "BILL" did the BIG POLITICAL BOSS show you this new way?

Well, I promised you my support, but I see you do not merit it.

Goodbye, Bill.

Yours truly,

JUSTICE.

Voter of Christiansted country district listen to reason: Mr. Jas. Roberts, a man well known to you a well read native having an excellent knowledge of the thing best suited to the welfare of our home, stands before you as a candidate for the council. Without doubt a man of his experience and knowledge of things political and otherwise coupled with his sincere love and devotion to his country ought to have your whole-hearted support in the coming election. Voters be advised, vote for Roberts, he's an honest-minded citizen who will stand by you through thick and thin—Vote for Roberts.
