The Wholesome of Grape-Nuts

is due to self-developed
sugar from the long baking
of wheat and barley. This
natural sweetness never
disturbs digestion as do
some other forms of sweets.
Give the children all they
want. *It's good for them.*

JOHN ALEXANDER,

GENERAL AGENT, VIRGIN ISLANDS, U. S. A.

NOTICE.

THE Inspection of the general annual
repairs of the Public roads, with
Bridges, Culverts, water courses, side
walls, hand rails, etc. etc. shall com-
mence after the 15th February.

All roadholders are therefore request-
ed to have their respective allotments in
good order by that date.

As it has been found during the Inspec-
tion last year that the trees and bushes
along the roadsides were not trimmed,
and therefore are an inconvenience to
the Public traffic.

It is the Owner of the land, who is re-
sponsible for keeping them, from incon-
veniencing the Public, or damaging vehi-
cles on the roadway and will be held for
damage.

Boundary posts must be plainly marked,
on each allotment and planted firmly in
the ground.

When the Inspection is completed, and
the roads found in order, the Roads will
be Reallotted, for the next term.
