feeds the body the substances which nerve force must have to give it that vital, electromagnetic power which is stored in the nerve and brain cells of man. Nuxated Iron often increases the strength and endurance of weak, nervous, rundown men and women in two weeks time. The manufacturers guarantee successful results to every purchaser or they will refund your money.

4,000,000 PEOPLE

Annually use organic Nuxated Iron to build up red blood, strength and endurance.

There are thousands of people who are ageing and breaking down at a time of life when they should be enjoying that perfect health which carries defiance to disease simply because they are not awake to the condition of their blood. Without organic iron your blood carries no oxygen, and without oxygen there is nothing to unite with the carbon in your food so what you eat does you no good. It is like putting coal into a stove without fire. You can now obtain organic iron like the iron in your blood and like the iron in spinach, lentils, and apples from any druggist under the name of Nuxated Iron. Nuxated Iron also contains the principal chemical constituent of active, living nerve force: it is, therefore, a true blood and nerve food. It helps create and rebuild new and stronger red blood cells. It
