Berlin, Nov. 9th.—The Wolff Agency today gave out the text of the speech made at Munich yesterday by Adolph Hitler. "The Government of criminals sitting at Berlin", Hitler said, "is deprived of office, as well as Ebert. I propose to take the direction of the Provisional Government of the German Empire until the moment when the treaty which is precipitating Germany into ruin today has been abolished. His Excellency General Ludendorff takes supreme command of the German National Army. General Von Lossow is appointed German Minister of the Reichswehr National Defence. We wish to build up an ultra-Nationalist confederate state, in which Bavaria will have the place due it. Tomorrow will see the constitution of a Nationalist Government in Germany, or it will see us dead. There is no middle course". After Von Kahr, the Bavarian dictator, had declared that he was taking a hand in the direction of the state and that he considered himself an administrator of the Monarchy "which the criminals" had overturned five years ago, General Ludendorff said: "I am going to reraise the Black, White and Red flag throughout Germany, including the Rhine." Premier Von Knilling and Minister of the Interior Von Schweyer, who were present at the patriotic meeting which was broken up by Hitler's proclamation were arrested by Hitler's followers and conducted to the police station. The Ministers had been invited to the meeting by Dr. Von Kahr.
