NATIONAL ANTHEM.

S. S. Parima due Frederiksted Sunday night.

All passengers must procure tickets for New York and St. Thomas up to 5 p. m. Saturday.

The Gray Ghost serial was concluded at the theatre last night, and parts of the new serial started. So far as seen the Carter Case would seem to be an interesting and exciting film.

It is requested to state that a meeting of the St. Croix Civic Improvement Society will be held this evening at 8 o'clock in the east room on the first floor of the Lutheran Parsonage. A large attendance is invited.

Pending positive information concerning the Parima which is understood to be detained in the Islands, the mail for New York, advertised to be closed at 4 p. m. today, will be held open until tomorrow, same hour.

Those who wanted to buy copies of yesterday's Avis and failed to secure same, are informed that the article which appeared in that number will be reprinted in the Mail Edition of tomorrow.
