NOTICE

Office-Request Envelopes

STAMPED envelopes with blank return
cards, known as "office-request" en-
velopes, are again on sale at this office.
The return-card includes blank lines on
which the user's name and local address
or post office box may be written with
pen, and names of post office and State,
for example:

After days, return to
.....

CHRISTIANSTED, St. Croix, V. I., U. S.

It is desired to encourage the use of
"office-request" stamped envelopes by
patrons as it is of much mutual benefit
to the public and the postal service.
When purchasers of these envelopes
complete the card by writing their names
and local addresses on the blank lines, it
provides prompt return of undeliverable
letters to senders, lessens the work of
the Division of Dead Letters, and tends
to encourage the use of return-cards on
other mail.

Plain stamped envelopes are also kept
on sale for purchasers who prefer to
print their own return cards in special
styles; also newspaper wrappers of the
1c. denomination.

It is brought to attention that the en-
velopes are all of standard quality, and
are sold in any number, from a single
envelope to a thousand at the thousand
rate. The price of the envelope is but a
fraction above the face value of the
stamp embossed on it.
