ORDER

BEFORE THE COURT is the trial in this matter, currently scheduled for March 8, 2021. For the reasons stated herein, the time to try this case is extended up to and including July 12, 2021.

On March 17, 2020, the Chief Judge of the District Court of the Virgin Islands entered a general order responding to the COVID-19 pandemic. The Chief Judge found it necessary to “take reasonable and prudent actions” “in order to further public health and safety, and the health and safety of Court personnel, counsel, litigants, other case participants, jurors, persons with other business at the courthouse, and the general public.” *Mar. 17, 2020, Order Concerning Operations of the District Court of the Virgin Islands During the COVID-19 Outbreak* at 1-2 (*Mar. 17, 2020*), [https://www.vid.uscourts.gov/sites/vid/files/general-ordees/CoronaVirus OperationsOrder.pdf](https://www.vid.uscourts.gov/sites/vid/files/general-ordees/CoronaVirus%20OperationsOrder.pdf).

Among other measures, the Chief Judge continued all criminal trials scheduled from March 18, 2020, through April 16, 2020. The Chief Judge found that the ends of justice required excluding March 18, 2020, through April 16, 2020, from the Speedy Trial count in all criminal matters. The Chief Judge has extended the general order ten times, excluding March 18, 2020, through March 31, 2021, from the Speedy Trial count in all criminal matters.

To date, the virus has claimed more than 512,000 lives (25 of which have been in the U.S. Virgin Islands), yet current testing indicates that the rate of contraction of the virus is slowing in recent weeks. Although the number of positive COVID-19 cases in the U.S. Virgin Islands increased from an average of 1.8 new cases per day in October 2020 to 19.9 new

cases per day for the two weeks preceding December 14, 2020, current testing shows a decrease to an average of 8 new cases per day.¹ Notwithstanding the decrease in the incidence of COVID-19 in the Virgin Islands over the past few weeks, the Court finds that a continuance of the trial date in this case would be in the best interest of justice. The Court finds that extending the period within which the Defendant may be tried under the Speedy Trial Act is necessary for the protection and well-being of the Defendant, the jury, the prosecutors, the witnesses, the Court's personnel, and the general public at large.

The premises considered, it is hereby

ORDERED that the time beginning from the date of this order granting an extension through July 12, 2021, shall be excluded in computing the time within which the trial in this matter must be initiated pursuant to 18 U.S.C. § 3161; it is further

ORDERED that the parties shall file and serve a pre-trial brief no later than July 5, 2021, which shall include the following: (a) proposed list of witnesses; (b) proposed list of exhibits; (c) estimated length of case-in-chief and case-in-defense; (d) proposed non-standard *voir dire* questions; and (e) proposed non-standard jury instructions related to the elements of the charges and defenses; it is further

ORDERED that the parties shall provide the Clerk of Court with a USB Flash Drive containing electronic versions of exhibits no later than July 7, 2021;² and it is further

ORDERED that the jury selection and trial in this matter previously scheduled for March 8, 2021, are **RESCHEDULED** to commence promptly at 9:30 A.M. on July 12, 2021, in St. Thomas Courtroom 1.
