RE: Tutu Walls Contamination Litigation

Dear Mr. Reed:

Enclosed please find a copy of a letter dated May 18, 1994 from Blasland, Bouck & Lee, Inc. to Mr. Adrian Schottroff at DPNR. The purpose of my letter to you is to obtain your comments and instructions with respect to what permits, notifications, and supporting documentation are required by DPNR with respect to the proposed ground-water remediation program. I look forward to hearing from you at your most earliest convenience after you have had the opportunity to review the contents of the letter to Mr. Adrian Schottroff. Thank you very much for your prompt attention to this important request.

Cordially,

Douglas L. Capdeville
