Delco -- Light

YOUR country home may be splendidly situated. The breeze playing around it may be most restful and refreshing. but if you haven't electric light and power, you are not enjoying its comforts to the fullest extent.

You may be two, six or ten miles away from town, but with DELCO-LIGHT installed, you can have every convenience of a city.

Think what an advantage it would be to have electric lights throughout your house and grounds. Think of a hot cup of coffee and toast for breakfast without the use of the kitchen stove, or a well-cooked chafing dish meal after a busy day in the fields.

DELCO - LIGHT

is a complete electric plant, easy to install and easy to care for. It will furnish the home with an abundance of electric light and power at low cost.

The experiences of more than 135,000 enthusiastic users in all parts of the world prove that DELCO-LIGHT soon pays for itself by the work it does.

Let our electrician, Mr. Geo. W. Powell, Manager of The Electric Power Plant at Christiansted, call upon you and give you all the information which you may need.
