

CHRISTIANSTED THEATRE

8.30. MONDAY EVENING 8.30.

"Marie Walcamp" in "The Red Glove"

Episode 7: "A DESPERATE CHANCE."

After her fall from a tree trunk to a stream below, Billie sees the red glove and manages to get it. She makes a captive of the Vulture, single-handed, but he escapes. There are many exciting events in this episode, which closes with a very realistic collision between the auto and a train.

Episode 8: "FACING DEATH."

The beginning of this episode with the auto crash pictured at the close of the last episode is justified by the realistic nature of the occurrence. Billie and Tia Juana scarcely escaped death and the Vulture leads a prison break, releasing all of his men. The Vulture and Wiley cut down an oil derrick, on which Billie has sought refuge, but Billie saves herself by springing to the roof of a nearby building. A number full of interesting and exciting action.

PROCEEDINGS

OF THE

COLONIAL COUNCIL

FOR ST. CROIX.

Continued from yesterday's Avis

2nd Member for Frederiksted Country District (M. M. Skeoch) remarked: Mr. Chairman. I look upon the advertisement in the papers calling a mass meeting a farce; are the people who voted for the members in this Council to decide whether we should have one or two judges.

1st Member for Christiansted Country District (Stakemann) remarked: Mr. Chairman. According to American principles the people are supreme. In the United States referendum is made to the people; if the people of these island are not satisfied they have a right to send their grievances to Washington. (Applause from the Lobby.)

The Chairman rang the bell and asked for order in the Lobby.

2nd Member for Christiansted Town (Canegata) remarked: Mr. Chairman. I propose that before we take the vote on this matter we give the people a chance and hear what they have to say. It is very seldom we hear what they have to say. Let us give them a chance.

The Chairman remarked: The motion before the House now is, all those in favor of two District Judges for the Islands i. e. one for each Municipality vote in the affirmative.

2nd Appointed Member (Noll) remarked: Mr. Chairman. We do not say that it is impracticable to have two District judges, but we say it would be involving additional expense. It is your money if you want these two judges you may vote for two.

The Chairman put to the vote the motion made by 2nd Appointed Member [Noll].

10 members voted for; 5 against.

The Chairman remarked: The motion is lost.
