Post Office Notices.

Owing to many persons making payments of large amounts in coin, mostly loose, involving needless loss of time and labor to count and wrap up, the provisions of paragraph 3, section 333, Postal Laws and Regulations, limiting the amount of copper and nickel coin that may be accepted, to 25 cents, and fractional silver to \$10.00, will be enforced in cases where loose coin is tendered at this office.

It being apparent that no useful purpose is served by the delivery of mail on Saturday evening, this practice will be discontinued, and the provisions of the regulations by which post offices of the third class are not required to open, assort and deliver on the same evening mail that arrives after close of local business hours, observed in future. There will, therefore, be no delivery of the Virginia's mail on Saturday evening when it reaches this office after close of business, 5 p. m. Under such circumstances this mail will be delivered on Sunday, and notice of the time when the office will be opened for delivery will be posted as early beforehand as practicable.
