RE: Request for Information from the
Environmental Protection Agency
to Jim Tillet dated January 11, 1988
Regarding Release of Hazardous Substances
in the Tutu area of St. Thomas,
United States Virgin Islands

Dear Ms. Kwan:

I recently responded to your above-described request by letter dated March 2, 1988, which was signed by me, as the attorney for Eric Tillet and his family. I have enclosed a drawing, prepared by the Tilletts, indicating where the sewers are on the Tillet property as I indicated I would in our answer to your first request.

If you need any additional information from the Tilletts or need to have them personally sign their response, please let me know.

Sincerely,

Timothy D. Junkin
