

NOTICE.

Owing to certain changes required in the Ice Factory, one of the plants must be taken to pieces, and during the course of the work which may occupy one month, it will be impossible to furnish more than half the present output of ice from Monday the 13th. instant. Patrons will be able to secure the half of their customary supply at the necessarily advanced rate of 2 cents a pound. When the changes in the Factory are completed, the old price of 1 cent a pound will again become effective.
