

Tobacco Teeth

See the change in ten days

Smokers' teeth discolor more than others, usually. But the stains lie in a film, and removing that film removes them.

There is now a way to combat this film. Millions of people employ it. Leading dentists everywhere advise it. See how teeth whiten when you use it a few days.

Film ruins teeth

That film on teeth which makes them dingy causes most tooth troubles. It is viscous—you can feel it. It clings to teeth, enters crevices and stays.

The old ways of brushing did not end it, so millions found that well-brushed teeth discolored and decayed.

It is the film-coat that discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Very few people have escaped these troubles caused by film.

Now we combat it

Now dental science has evolved ways to combat film day by day. Able authorities have amply proved their efficiency.

These methods are combined in a dentifrice called Pepsodent. Millions have adopted it, largely through dental advice. It opens, we believe, a new dental era. And, to let all know it, a 10-Day Tube is being sent to everyone who asks.

See and feel it act

Pepsodent brings five desired effects. Some are instant, all are quick. A very short test will prove a revelation.

One ingredient is pepsin. Another multiplies the starch digestant in the saliva, to digest starch deposits that cling. It also multiplies the alkalinity of the saliva, to neutralize the acids which cause tooth decay.

Two factors directly attack the film. One of them keeps the teeth so highly polished that film cannot easily adhere. With every application it combats the teeth's great enemies as nothing else has done.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear. Let this test show you, for your own sake, what clean teeth really mean.

And for the Christiansted Sub-Judicial District, at Government House, Christiansted, Thursday, June 9, 1921 at 10 o'clock A. M.

J. F. HENRY,
Clerk of the District Court.

NOTICE.

THE undersigned begs to notify the public that he does not rent land for the purpose of burning Charcoal, except in so far as a person renting a piece of land for a provision ground is allowed to burn Charcoal from the wood collected in clearing said land. There seems to be a misunderstanding as I have of late found people taking the liberty of cutting in to well wooded land without my knowledge or consent and making a business of burning Charcoal, such persons are trespassers and guilty of taking property that does not belong to them. All land renters of Anally, Rose Hill, Mt. Stewart and estates belonging thereto, who are in arrears with their rents are requested to bring their books and settle their rents promptly or they will be considered trespassers and treated as such according to law.
