BUY ONLY THE BEST.

You don't buy a phonograph every couple of years like an automobile.

Your phonograph lasts a lifetime. That's why it pays to buy the finest instrument made and you will choose the Sonora because the Sonora (world famous for its peerless tone, for its beautiful design, and for its superior construction), costs no more than ordinary phonographs.

Remember Sonora plays all makes of disc records perfectly without any extra attachments and enables you to hear the recordings not only of American but of foreign record makers.
