

Public Notice

THE attention of the public, and the merchant, is earnestly called to the following order issued today to enlisted men of the United States Naval Service on duty in the Virgin Islands.

"1. No enlisted man of the United States Navy or Marine Corps on duty in the Virgin Islands shall, in any one month hereafter, without written permission from his commanding officer in each case, contract debts beyond an amount which he shall be able to conveniently pay on the first pay in the following month.

"2. Men reported for failure to pay just debts on such pay day shall be subject to trial by court-martial."

Persons extending credit to such enlisted men should use discretion as to the amount of such credit so that the above order may be fully complied with. While investigation will be made of reports of unpaid debts so that disciplinary action may be taken, nevertheless the Government will not act as a collection agency in the recovery of such debts.

This notice applies only to debts contracted after October 1, 1921.

WHAT A WOMAN SHOULD DO WHEN SHE IS WEAK AND NERVOUS

THOUSANDS OF WOMEN HAVE SURPRISINGLY INCREASED THEIR STRENGTH, ENERGY AND ENDURANCE IN TWO WEEKS TIME BY THIS SIMPLE EXPERIMENT.

On account of the terrible weakness, nervousness and alarming symptoms, which are often produced by iron starvation of the blood, the sufferer frequently never suspects the real cause of her trouble but thinks she has some other ailment. As a result of iron starvation you may suffer from headaches, dizziness, shortness of breath or heart palpitation, pains across the back, loss of memory, weak willpower, melancholy or the "blues," disturbed digestion, loss of appetite, sleepless nights, night sweats and so on. In such cases do not wait until you go all to pieces and collapse in a state of nervous prostration but eat more spinach and green vegetables and take organic iron like Nuxated Iron with them for a while and see what a difference it makes. But be sure the iron you take is organic iron and not metallic iron which people usually take. Metallic iron is iron just as it comes from the action of strong acids on small pieces of iron, while organic iron like Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples. Beware of substitutes. Look for the name "Nuxated" on every package and the letters N. I. on every tablet. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. For sale by all druggists.

Read this Important Paragraph from a letter from the Factory of the famous Tires

VIKING CORD

THE TIRE OF SUPERIOR QUALITY AT A MODERATE PRICE

"We pay our Workmen in Tires a very high wage. We keep the number of each Tire which each man makes. Then, if there are any just complaints, we refer to the number of the Tire, and the man who has made it have to pay the claim. The workmen agree to this, because they receive very much higher pay than is customary in other factories; and by having to pay the claim in there is any--is undoubtedly the cause that they take special care in the construction of these tires; and to this is due the great record of the "Viking Tires".
