

CHRISTIANSTED THEATRE

8.00. THURSDAY EVENING 8.00.

CHAPTERS 5, 6 and 7 of
The Famous Serial

"The Secret Of The Submarine".

Story till today:

Dr. Burke's invention enabling submarines to remain under water indefinitely is accepted by U. S. Government after trial trip with Lieut. Hope, Cleo and Barnacle, nearly costing lives of all through treachery of a spy. Cleo discovers her father mysteriously murdered as he was about to sell secret to the Government. The sale of Dr. Burke's library caused by Cleo's need of funds results in complications, as she learns that the secret was concealed in a book. Cleo and others search out buyers of the books to secure the lost secret.

PROCEEDINGS OF THE COLONIAL COUNCIL FOR ST. CROIX.

(Continued from yesterday's Avis.)

Item 4.

Colonial Council Bill No. 49.

Introduction of and 1st Discussion on
Colonial Council Bill No. 49, Resolu-
tion introduced by Government, au-
thorizing the sale by auction, for the
highest bid in each case, of Lot No.
15 East Street and Lot No. 36 Fisher
Street in the town of Christian-
sted.

Colonial Council Bill No. 49.

2nd Council, 2nd Session, 1920-1921.

RESOLUTION.

Be it resolved by the Colonial
Council for St. Croix in session as
sembled:

That the Governor be and he is
hereby authorized to sell lot No. 15
East Street, and Lot No. 36 Fisher
Street, Christiansted, St. Croix, for
the highest bid received in each
case within a period of thirty days
after date of approval of this reso-
lution.

The Vice-Chairman remarked: The
matter is open for discussion.

Government Secretary (Timmons) re-
marked: Mr. Vice-Chairman. The sale

of the properties is recommended by the
Municipal Committee. It is nothing in
which the Government is particularly
interested, except that they are not
bringing any revenues, and therefore
the Municipal Committee has recom-
mended that they be sold.

4th Appointed Member (Blackwood) re-
marked: Mr. Vice Chairman. The cus-
tom is to sell all Government properties
by auction so as to give every one a fair
chance to purchase, we have deviated
from that rule a couple of times, but
those were extraordinary cases.

It was put to the vote and unanimous-
ly carried that the Resolution be adopted
at 1st Discussion.

No one requesting the word further,
the bill was read, put to the vote and un-
animously adopted.

Item 5.

Colonial Council Bill No. 50.

Introduction of and 1st Discussion
on Colonial Council Bill No. 50, Draft
of Additional Money Bill to the Bud-
get for the Municipality of St. Croix
for the fiscal year ending June 30,
1921, introduced by Government, au-
thorizing the payment of Frs. 60,
000.00 from funds in the Municipal
Treasury, not otherwise obligated,
to the Telephone Fund for the pur-
pose of effecting repairs and new in-
stallations.

The bill reads as follows:

Colonial Council Bill No. 50.

2nd Council, 2nd Session, 1920-1921.

ADDITIONAL MONEY BILL

To the Budget for the Municipality of
St. Croix 1920-1921.

The Government is authorized to
pay from funds in the Municipal
Treasury, not otherwise obligated,
the sum of Frs. 60,000.00 to the
Telephone Fund for the purpose of
effecting necessary repairs and new
installations.

Proposed by the Government.

Government Secretary (Timmons) re-
marked: Mr. Vice Chairman. This Mon-
ey Bill is introduced upon the recommen-
dation of the Municipal Committee and
Government would appreciate explana-
tion by the 4th Appointed Member and
Chairman of the Municipal Committee.

4th Appointed Member (Blackwood) re-
marked: Mr. Chairman. The Public
Works Officer wrote a letter to the Mu-
nicipal Committee in which he stated
that the telephone lines need consider-
able repairs and that an appropriation
was needed; according to the records, on
May 20, of this year, the Municipal Com-
mittee's decision on this matter was for-
warded to Government (The Speaker read
copy of the Committee's decision on this
matter to Government) and continuing:
The Amount is to be appropriated from
money not obligated. We hold to our
recommendation and it is now up to Gov-
ernment to advance the amount.
