

the United States, and having particularly in mind the probable ability of such water users, districts, associations, or other reclamation organizations to meet such water-right charges regularly and faithfully from year to year, during periods of prosperity and good prices for agricultural products as well as during periods of decline in agricultural income and unsatisfactory conditions of agriculture.

SEC. 2. There is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$5,000, which shall be available for expenditure, as the Secretary of the Interior may direct, for expenses and all necessary disbursements, including salaries, in carrying out the provisions of this Act. The commission is authorized to appoint and fix the compensation of such employees as may be necessary for carrying out its functions under this Act without regard to civil-service laws or the Classification Act of 1923, as amended.

SEC. 3. That all the provisions of the Act entitled "An Act to further extend relief to water users on the United States reclamation projects and on Indian irrigation projects", approved June 13, 1935, are hereby further extended for the period of one year, so far as concerns 50 per centum of the construction charges, for the calendar year 1936: *Provided, however*, That where the construction charge for the calendar year 1936 is payable in two installments the sum hereby extended shall be the amount due as the first of such installments. If payable in one installment, the due date for the 50 per centum to be paid shall not be changed.
