

CHRISTIANSTED THEATRE

8.15. THURSDAY EVENING 8.15

"GLADYS WALTON" in "SHORT SKIRTS".

The picture is well photographed, the sets are good and there is a novel introduction which immediately puts the audience in good humor. After showing the clothes that grandmothers wore not so many years ago, there is a panorama of female "ankles", indicating the lapse of time and the increasing brevity of the skirt.

A Fascinating Story of a Lovable Girl in "Short Skirts".

Admirers of "Gladys Walton" will like her in "Short Skirts", her latest Universal Production; this goes both ways, for not only is she attractive in abbreviated dresses but the role presents her to advantage.

A ONE-EVENING PROGRAM.

A Proclamation

BY THE GOVERNOR
OF THE
VIRGIN ISLANDS OF THE UNITED STATES.

SUNDAY THE FOURTEENTH DAY OF MAY, will be observed throughout the United States as "Mother's Day". Therefore, I, SUMNER E. W. KITTELLE, Governor of the Virgin Islands of the United States, do urge upon every person in the Virgin Islands, on that day, to render some fitting tribute to his or her mother, as the case may be, if such parent be still living or in case she has passed to the life beyond to devote a period of loving thought to her memory. To all of the clergy of the islands, I especially appeal, that they shall give to their respective congregations, on that Sunday, some counsel as to the loving and lofty influence which true motherhood has had upon world uplift.

SUMNER E. W. KITTELLE,
Governor.
