This bill amends 20 VIC § 801 by transferring the authority from the Superior Court to the Director of the Bureau of Motor Vehicles to suspend the use of a driver’s license when a driver accumulates 12 or more points within 12-month period. It also gives the Director the authority to deduct three points if a driver does not have any violations within a period of twelve consecutive months and provides that the maximum number of points that can be deducted within a twelve consecutive month period is three points. It increases the fine for a moving violation from \$25 to a \$200 and provides for a mandatory three-hour drivers’ education course. It also increases the per diem for instructors from \$75 to \$100. It adds a new subsection (d) to section 801 that provides that persons who voluntarily participates in the drivers’ education course and pay the \$200 fee will have three points deducted from that driver’s accumulated points, provided those points were not accumulated because of an accident and limits the amount of points deducted to three point per 12-month period.
