

## Practical Guide To Health

By Frederick M. Rossiter M. D

**A** Masterly treatise on anatomy, physiology, and hygiene, with a scientific description of diseases, their cause and treatment, especially designed for the home and for the instruction of nurses. It gives a plain, comprehensive understanding of the constructions and functions of the various organs of the human body, with illustrations showing the anatomy of the various parts, and their relations to each other, together with a minute description of the nature, and cause of various diseases, and a hygienic prescription for their cure without the use of medicine.

It covers practically all the diseases common to the human race, and deals with them in a way that the information given can be applied in all homes. It will be equal to a nurse and in many instances, a physician. 659 pages. Also published in Danish, French, Spanish Swedish, and English.

See language lists for styles and binding.

Cloth, marbled edges.

Half leather, marbled edges.

Full leather marbled edges

## DE-PA-CO

"BEST QUALITY PAINT"

A scientifically machine made paint assuring uniform thickness of film and uniformity of color, whereas it is practically impossible for a painter to mix the same color actually twice in succession, unless made under a scientific formula. Thus, when buying ready-mixed paints you are sure of receiving the same color and same consistency at all times.

### DE-PA-CO DECK PAINTS

For hardest ware and exposure on Porches Floors and Decks.

### DE-PA-CO OXIDE PAINTS

Best Pigment and Pure Linseed Oil. For wood and metal surfaces. Especially adapted for roofs.

### DE-PA-CO FLAT FINISH

For interior Plaster, wood and metal work. A beautiful, soft, rich finish. Washable, Sanitary, Permanent.

### DE-PA-CO CONTOTE PAINT

For Exterior and Interior Use on buildings of cement, limestone and brick. A modern scientific paint developed to prevent mildew and dark stains on stone buildings in the tropics. In place of linseed oil, a special liquid is used which effectively seals the pores and prevents the penetration of moisture which is generally the cause of these stains.

### DE-PA-CO MARINE PAINTS

A complete line of the various paints for Marine use, including Marine Flat White and Copper Paint.

VARNISES, PAINT OIL,

WHITING, SHELLAC GLUE,

GALV. IRON SHEETS,

SCREWS and WASHERS,

NAILS and LUMBER.

All goods at lowest prices.
