DO REFORMATORIES REFORM YOUNG GIRLS?

This Question is Answered By ELAINE HAMMERSTEIN in "Handcuffs or Kisses".
The Sociological Aspects of this Picture are Strongly Condemnatory of the Modern
Reformatories for Incurable Girls, and, if the Conditions Exist as Portrayed, they are
a disgrace to Civilization. The Injustice to a Young Girl, Railroaded into a Penal In-
stitution, and her Efforts to come back, make an Appealing Tale of Human Interest,
enlisting the Spectators Interest.

FUNERAL NOTICE

Mrs. CECILIA ADAMS, wife of Mr.
Quincy Adams aged 62 years, passed to
her eternal rest this morning at about
4.15 o'clock. The funeral takes place
at her residence at Gallows Bay at 4.30
o'clock today to which all friends and
acquaintances are cordially invited.

LOCAL

The approaching election period ap-

pears to cast no shadows before it. This
state of indifference may indicate either
complete confidence in the council or
may portend a lack of faith in its useful-
ness. It is a fact, however, that the
Council is a great deal of good to these
islands, and can be of inestimable value.
The Council at the same time is made
up of men and upon them rests the pow-
er to make the local legislature potent
for what is got out of it. In the members
who will shortly be retiring there are
some who have displayed that public
spirit and broad sense of public duty as
have gained for them the regard and
confidence of their fellow council-men
and of us in the rank and file. For this
reason it is perhaps that Christiansted
especially is rather quiet over the elec-
tion of new members for this district be-
cause it happens that Christiansted
boasts of some of the best men in the
council. Nothing has been heard of what
Frederiksted is doing. Correspondence
and discussion of political problems and
matters touching the elections will be
welcomed from readers. Let us hear
from you.

Our condolences are extended to Mr.
Quincy Adams and family on the occa-
sion of Mrs. Adams's death which oc-
curred today as a result of a relapse from
a recent attack of influenza.

The s. s. Marina is due on schedule time;
having 27 tons of cargo for Christiansted
and 25 tons for Frederiksted.

We have been asked to mention that
the Industrial Band will give a concert
on the wharf tomorrow night.

By special request the Wonder Man
will be repeated at the theatre this eve-
ning at reduced rates of admission and
it is hoped that a large number of per-
sons will avail themselves of the last op-
portunity of seeing this fine picture.

Receipt is acknowledged of a printed
copy of a communication from James F.
Kemp, Great Neck, N. Y. to Governor
Hough on the subject of a water supply
for this island. Same will be published
in Monday's issue.

The s. s. "Bridgetown" sailed from
New York on Thursday evening, having
24 tons of cargo for Christiansted and 9
tons for Frederiksted.

CORRECTION.

In Memorial published in yesterday's
Avis, 2nd page, 31st line from top, please
read, "average crop of about 330 tons"
instead of "300 tons".

Football.

There will be a football match on Hol-
ger Danske ground tomorrow afternoon
at 4.15 o'clock sharp between the Merry
Juvenile and Melbourne Clubs.
