RED
BLOOD

4,000,000 PEOPLE

Annually use organic Nuxated Iron
to build up red blood, strength and
endurance.

There are thousands of people who are ageing and
breaking down at a time of life when they should be en-
joying that perfect health which carries defiance to
disease simply because they are not awake to the con-
dition of their blood. Without organic iron your blood
carries no oxygen, and without oxygen there is noth-
ing to unite with the carbon in your food so what you
eat does you no good. It is like putting coal into a
stove without fire. You can now obtain organic iron
like the iron in your blood and like the iron in spin-
ach, lentils, and apples from any druggist under the
name of Nuxated Iron. Nuxated Iron also contains
the principal chemical constituent of active,
living nerve force: it is, therefore, a true
blood and nerve food. It helps create and re-
build new and stronger red blood cells. It

feeds the body the substances which nerve force must have to give it that vital, electro-
magnetic power which is stored in the nerve and brain cells of man. Nuxated Iron often
increases the strength and endurance of weak, nervous, rundown men and women in two
weeks time. The manufacturers guarantee successful results to every purchaser or they will
refund your money.

NUXATED IRON ENRICHES THE BLOOD-GIVES
YOU NEW STRENGTH AND ENERGY
