

America's Greatest Oil Stove at Reduced Prices

The new Red Star Oil Stove—unquestionably America's greatest oil cook stove—is on sale at this store now. Prices have been radically reduced, following similar reductions by the manufacturer. In addition the stove is better—improvements have been added—quality has been improved throughout the entire stove. Nothing at all can be gained by further holding off. If you need an oil stove that will cook, bake, boil, roast anything as quickly and as perfectly as gas, see the new

The wonderful efficiency of the Red Star is due to its distinctive all-metal burner. Burns gas which it makes automatically, from kerosene, gasoline and other cheap fuels. Weighs 8½ lbs. Gives 2 rings of hot gas flame instead of one. Burner becomes red-hot adding more heat. Gives 19 hours per gallon. Saves 25% fuel cost.

See a demonstration. At present low prices this Red Star oil stove is the greatest value of years.
