ORDER

BEFORE THE COURT is Plaintiff Akeem R. Gumbs' ("Plaintiff") Motion for Preliminary Injunction. (ECF No. 53). A request for a court order must "state with particularity the grounds for seeking the order." Fed R. Civ. P. 7(b)(1)(B). Plaintiff's motion asserts a single undeveloped and unsupported claim, which lacks legal basis for his sought relief. *See* ECF No. 53.

Furthermore, the Court dismissed the complaint in this matter on March 15, 2019. *See* ECF No. 9. The Court also notes that Plaintiff's appeal was dismissed for failure to prosecute. Therefore, the Court will summarily deny Plaintiff's motion.

The premises considered it is hereby:

ORDERED that Plaintiff's motion for preliminary injunction, ECF No. 53, is **DENIED**.

Dated: September 30, 2021
