"The Heart of Humanity".

A GREAT DRAMA OF WAR

By

ALLEN HOLUBAR.

Featuring: **Dorothy Phillips.**
9 REELS.

"The Heart of Humanity" is one of the biggest and most satisfying stories that have come out of the great war.

It took 7 (seven) Months to make "The Heart of Humanity".

The sufferings of the Widow Patricia, who sends her five sons and sees but one of them return, typify the sufferings of all Canadian Mothers.

Dorothy Phillips is seen here at the height of her abilities as a screen performer; never has a scene been more admirably acted than her struggle scene at the close, it threatens with the whole story as it stands.

The battle scenes are stupendous and compel the closest attention every moment they are on the screen. Tanks, Aeroplanes, Flamethrowers, and all of the paraphernalia of modern warfare, are employed.

LOCAL.

Special attention is invited to the programme of the Christiansted Theatre appearing in this issue. The film to be presented this evening is one that has won wide popularity in St. Thomas where it was shown with tremendous success. It will be noted that it is a complete drama consisting of ten reels which will all be shown at one exhibition. For this reason the show will last somewhat longer than usual, but we be-
