a letter from the Factory of the
famous Tires

VIKING CORD

THE TIRE OF SUPERIOR QUALITY
AT A MODERATE PRICE

"We pay our Workmen in Tires a very high wage. We keep the number of each Tire which each man makes. Then, if there are any just complaints, we refer to the number of the Tire, and the man who has made it have to pay the claim. The workmen agree to this, because they receive very much higher pay than is customary in other factories; and by having to pay the claim if there is any--is undoubtedly the cause that they take special care in the construction of these tires; and to this is due the great record of the "Viking Tires".

There is Strength in Every Tablet

One dose often helps commence to enrich your blood and revitalize your worn-out exhausted nerves--Nuxated Iron is organic iron, like the iron in your blood and like the iron in spinach. It is so prepared that it will not injure the teeth nor disturb the stomach. It is ready for almost immediate absorption and assimilation by the blood, which some physicians claim is the reason which people usually feel not absorbed still. If you are not strong or feel you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron--three times per day, after meals for two weeks. Then test your strength again and see how much you have gained. Your money will be refunded by the manufacturer if you do not obtain perfectly satisfactory results. Ask Druggists.
