Postal Information of Importance to The Public:

BEGINNING July 1, 1921, the following money order conversion rates will be effective:

GREAT BRITAIN Pound sterling = \$4.10
NETHERLANDS Florin = .38
FRANCE & BELGIUM 11 Francs = 1.00

Addressees of C. O. D. mail should preserve, and when redeeming C. O. D. parcels, present the notices (form 3849) issued upon arrival. These notices bear index numbers to enable prompt location of parcels, otherwise with more than a hundred parcels to look over the work of expediting is greatly increased and impeded. Public co-operation in this matter will be much appreciated, and will be found to increase the efficiency of service to the public.

The number of totally unpaid letters, and letters prepaid but one cent, indicates lack of familiarity with existing Postal Regulations prohibiting the dispatch of such matter in the domestic service, and it is hereby brought to general attention that all domestic letters, prepaid less than 2 cents are not forwarded, but held for postage, to be collected, from the sender, if known, or, upon notice to the addressee. It will, therefore, be seen that it is in their own interest that correspondents prepay all letter mail with at least 2 cents, in order to insure forwarding.
