The fourth, fifth and sixth episodes of the Gray Ghost will be repeated at the theatre this evening, for the special benefit of those who for any reason did not attend the first presentation of the programme Thursday night. This serial is one with no parts to grow stale and those who have not seen these six reels should not miss the treat they will afford, while those who were present at the last show will enjoy refreshing their memory with some of the thrilling and weird features of this novel film.

A small States mail of just 12 bags arrived here from the Parima yesterday afternoon.

A correspondent in this issue tells that the suggestion to illuminate the dials of the town-clock so the time can be seen at night is being acted upon, the work of installing lights having already been started.

NATIONAL ANTHEM.

has arrived for readjustment of the prices of local products which had been advanced ostensibly to meet the increased cost of living as affected by imported goods. This seems one of the most reasonable proposals and ought to appeal to any fairminded person. It is suggested that fresh fish which is priced by the Food Commission at rates incompatible with prices of imported fish and other foodstuffs should receive immediate attention. If the Food Commission is still in existence, here is an opportunity for it to do something good. This subject will be taken up again in greater detail.

The schnr. Creole arrived here at 8 o'clock this morning with St. Thomas mails. Up to that time the Virginia had not reached Frederiksted.

The Editor of the "St. Croix Avis"

Dear Sir.-

Sometime ago I mentioned in your paper that it would be a good thing if the Municipality could see it fit to have electric lights installed in our town-clock, so that we may see the time at night. I am happy to inform you that work to that effect was started since Thursday by Mr. Fabio and his electrician Mr. Phaire.
