ORDER

BEFORE THE COURT is Defendant Germaine Hall's ("Hall") Motion to Reduce Sentence or for Compassionate Release, filed on September 8, 2020. (ECF No. 447.)

In his motion, Hall argues that he suffers from "obesity, immune system deficiencies from smoking, and shortness of breath" which "put his life at risk from COVID-19 infection." *Id.* at 1. Record evidence does not provide documentation of Hall's medical diagnoses for consideration of his motion.¹ The Court acknowledges that Hall does not want counsel appointed to represent him in this matter. (ECF No. 476.)

These premises considered, it is hereby

ORDERED that Defendant Hall shall submit, on or before December 15, 2020, documentation of any medical condition that he would like the Court to consider as part of his motion for compassionate release; and it is further

ORDERED that a copy of this Order shall be served on Defendant Hall by certified mail return receipt requested and that a copy of the return receipt shall be filed on the docket.

Dated: December 1, 2020
