Follow-up Information on the
Request for Information for the
Esso Tutu Car Care Center at the
Tutu Site, St. Thomas, USVI

Dear Ms. Kwan:

Reference is made to your letter dated May 18, 1988 related to a request for additional follow-up information on our December 12, 1987 response to EPA's information request dated November 6, 1987. In such letter you requested the Material Safety Data Sheets for cleaning products and solvents used for 1987 to present at the subject service station.

The information requested in your letter was solicited to Mr. Danny Bayard operator of the service station in question who in turn will obtain it from the suppliers of the products therein mentioned. As soon as Mr. Bayard provide the requested information to our attention we will submitted it to you.

Very truly yours,

Ana Gloria Ramos
