

Get These New Low Prices

There is no need to hold off buying your Red Star any longer. The prices we are asking are down to bottom. Never in several years have we been able to offer such wonderful values.

Why put up with troublesome cooking appliances—with poor cooking and baking, when so little money will now buy you a genuine Red Star Oil Stove?

Cooks Like a Gas Range

The Red Star does any kind of cooking—baking, roasting, boiling, frying,—that a gas range can do—and does it just as quickly. It bakes biscuits in 12 minutes; roasts a 3½ lb. chicken in 70 minutes.

All the heat is concentrated directly under the utensil. None is wasted. Fuel saving is fully 25%.

Come in and see this wonderful Red Star. See how easy it operates; how easily kept clean.

Learn how low prices now are; how easy we make it for you to have a Red Star.

The Famous Red Star Burner

No wicks—no wick substitutes

The only really wickless oil burner made. Burns gas, which it makes from gasoline, kerosene or distillate. Two rings of flame instead of one and the intense added heat of red-hot, 8½ lb. metal burner. Only Red Star Oil Stoves have this marvelous burner.

And Reduced Prices.

Delco -- Light

YOUR country home may be splendidly situated. The breeze playing around it may be most restful and refreshing, but if you haven't electric light and power, you are not enjoying its comforts to the fullest extent.

You may be two, six or ten miles away from town, but with DELCO-LIGHT installed, you can have every convenience of a city.

Think what an advantage it would be to have electric lights throughout your house and grounds. Think of a hot cup of coffee and toast for breakfast without the use of the kitchen stove, or a well-cooked chafing dish meal after a busy day in the fields.

DELCO-LIGHT

is a complete electric plant, easy to install and easy to care for. It will furnish the home with an abundance of electric light and power at low cost.

The experiences of more than 135,000 enthusiastic users in all parts of the world prove that DELCO-LIGHT soon pays for itself by the work it does.

Let our electrician, Mr. Geo. W. Powell, Manager of The Electric Power Plant at Christiansted, call upon you and give you all the information which you may need.
