NOTICE.

HAVING heard that there are several persons going around doubting that the pupils of the JUNIOR HIGH SCHOOL have individually built the several pieces of articles exhibited in the recent Manual Training Exhibition, I, *Juan E. Rivera*, take this opportunity of inviting all those who are criticizing to visit me in my Manual Training Room during the period set aside for that subject.

Also, if any of those same parties consider himself capable enough of carrying out a better graduation program than the one of **Saturday evening, June 30, 1923** I, *Juan E. Rivera*, challenge him to do it.

Christiansted, St. Croix, July 2, 1923.

JUAN E. RIVERA,

Principal of the Junior High School

LOCAL

Tomorrow being Independance Day there will be no issue of this paper.

The Guiana from New York is looked for today.

The s. s. "Martinique" sailed from New York on Thursday evening, having

65 tons of cargo for Christiansted; and 13 tons for Frederiksted.

Attention is invited to the ad in this issue wherefrom it will be noted that the next show at the Christiansted Theatre will be held tomorrow night instead of Thursday as usual.

The Kindergarten exercises at the Children's Home last night afforded an interesting time to those present and reflected great credit on the promoters for the successful performances of the parts by the little tots. At the close of the evening appropriate addresses were delivered by Revs. Pedersen and Huf and Mr. George Jackson, Principal of the Public Grammar School. Several of the children now dressed in college uniforms took their seats on the stage. Having attained the school age these children will hereafter enter the Public Grammar School.
