The following agenda is proposed:

1. Comments from PRPs/TEIC on EPA's Preliminary Pathway Analysis
2. Status of RI
3. Objectives of RI Report
 - Level of Discussion of Source Areas
 - How important is it that most (all) PRPs views regarding source areas get coalesced.
4. Feasibility Study
 - How do individual site owner proposals for source remediation get accounted for?
 - Do these source remedies need to employ similar technologies?
