

Quality Packing

Goodyear Sheet Packing, Style 120, is one of the very finest red rubber sheet packings made.

This is true because of the high grade materials which enter into its manufacture — no reclaimed rubber whatsoever being used.

It is especially recommended for use as cold water and low pressure steam gaskets up to 100 pounds. It also offers the maximum resistance to heat and other elements.

Goodyear Sheet Packing, Style 120, comes in 200 pound rolls, 36" wide, in thicknesses of 1/32", 1/16", 3/32" and 1/8".
