FROM THE POLICE.

THE attention of all owners and drivers of vehicles in the Island of St. Croix is hereby called to the observance of, and compliance with, Paragraph 27 of the Police Regulations for St. Croix of 30th January 1915 and the Supplementary Regulations thereto of 24th February 1915-viz-

Paragraph 7.

"All vehicles when in use between the hours of sunset and sunrise shall be provided with a lighted lantern on either side, or at least in front on the right side".

Supplementary Regulations.

"For all automobiles, a distinguishing letter and number shall be prescribed by the Police, and no automobile must be used upon public roads without being provided with two signboards, one in front and one at the back of the car, containing these distinguishing signs, easy to be read at a distance of 75 feet".

"When in use between sunset and sunrise, the automobiles must be provided with a lighted lantern which clearly illuminates the hind signboard.

Director of Police.

Frederiksted Police Office, February 13th 1920.

To The Public.

THE invitations sent out for a meeting at Midland on Saturday night, and which is likely to be introduced in a similar way in both towns, has nothing to do with any part of the work of the Virgin Islands Protective League, neither is it in anyway connected with the proposed meeting as suggested in my article READ and THINK.

There are two separate propositions to be introduced, wholly independent of each other, and only in one case will the League take a prominent part.

ASHLEY L. TOTTEN.
