

Public Notice

THE attention of the public, and the merchants in particular, is earnestly called to the following order issued today to enlisted men of the United States naval service on duty in the Virgin Islands.

"1. No enlisted man of the United States Navy or Marine Corps on duty in the Virgin Islands shall, in any one month hereafter, without written permission from his commanding officer in each case, contract debts beyond an amount which he shall be able to conveniently pay on the first pay day in the following month.

"2 Men reported for failure to pay just debts on such pay day shall be subject to trial by court-martial."

Persons extending credit to such enlisted men should use discretion as to the amount of such credit so that the above order may be fully complied with. While investigation will be made of reports of unpaid debts so that disciplinary action may be taken, nevertheless the Government will not act as a collection agency for the recovery of such debts.

This notice applies only to debts contracted after October 1, 1921.

a letter from the Factory of the
famous Tires

VIKING CORD

THE TIRE OF SUPERIOR QUALITY
AT A MODERATE PRICE

"We pay our Workmen in Tires a very high wage. We keep the number of each Tire which each man makes. Then, if there are any just complaints, we refer to the number of the Tire, and the man who has made it have to pay the claim. The workmen agree to this, because they receive very much higher pay than is customary in other factories; and by having to pay the claim—in there is any—is undoubtedly the cause that they take special care in the construction of these tires; and to this is due the great record of the "Viking Tires".
