The Native Brass Band will give a
popular concert on the Wharf this even-
ing.

The Colonial Council held a meeting yes-
terday attended by the Governor. The
budget was the chief subject of discus-
sion, and resolution, spoken of before
the meeting, to have the law prohibiting
the sale of beer and light wines in St.
Croix repealed, was introduced, but re-
called. The meeting terminated about
three o'clock.

The Red Glove came to an end at the
theatre last night and its admirers were
very much infatuated with the captivat-
ing conclusion. It is hoped the manage-
ment of the theatre will find it possible
to secure a not less attractive serial in the
near future. One of Pathe's specialties is
sure to take.

We congratulate Bandsman, Mr. Ja-
cob Williams, and wife, to whom a baby
girl was born last night.

The General Superintendent at St.
Thomas of the West India and Panama
Telegraph Co., Ltd., Mr. M. Petit, paid a
visit to the St. Croix station last Saturday
and it was our pleasure to have an inter-
view with him. In speaking of the re-
verses the company is experiencing and
as a result of which the service is more
or less affected, the superintendent tells
us that this is largely due to the delay in
repairing the company's cable-vessel.
