CHRISTIANSTED THEATRE THIS EVENING

Owing to unforeseen circumstances

"THE MIDNIGHT MAN"

36 Reel Serial

will be exhibited instead of The Yellow Menace.

"THE MIDNIGHT MAN."

New Universal Serial Featuring "JAMES J. CORBETT".

This new Universal Serial, "The Midnight Man", is exploiting the Personality and Physical Prowess of

"The Ex-Champion Pugilist "James J. Corbett".

This Serial has a Plot that is interesting and lucidly set forth. The Chief appeal to the interest is found in the personality of Mr CORBETT himself and in frequent sparring contests of an impromptu sort, sometimes with as many as "A Dozen Opponents At A Time".

The first two Episodes are full of "Punches", both literal and figurative, and the third Episode contains some "Stunts" that bring Real Thrills.

This Production will appeal greatly to Fight Fans and the Sporting Fraternity in general.
