**RE: Confirmation of Project Schedule
Tutu Wells Site RI/FS**

Dear Ms. Kwan:

Near the end of the project meeting on November 3, there was considerable discussion regarding the schedule for future deliverables and meetings. The following confirms TEIC's understanding of the new schedule of deliverables and events based on the meeting and our subsequent telephone discussion.

EPA Provides Soil and Groundwater Remedial Goals	November 15, 1994
EPA Provides Final Comments On RI Report and RATM To TEIC	November 30, 1994
Meeting Between EPA and TEIC To Review Comments	December 15, 1994
TEIC Submits Draft Final RATM	December 23, 1994
TEIC Submits Draft Final RI Report	January 17, 1995
TEIC Submits Draft FS Report To EPA	January 30, 1995
EPA Hold Public Availability Meeting (St. Thomas)	March 7, 1995
PRP Meeting To Discuss FS Report (St. Thomas)	March 8-9, 1995
PRPs Submit Comments On FS To EPA	March 20, 1995
EPA Provides Final Comments On FS To TEIC	April 4, 1995
Meeting Between EPA And TEIC To Review FS Comments	April 20, 1995
TEIC Submits Draft Final FS Report To EPA	May 16, 1995
EPA Issues Proposed Remedial Action Plan (PRAP)	May 30, 1995
Public Comment Period (Assume 30 day duration)	May 30 - June 30, 1995
EPA Public Meeting On PRAP	Mid May, 1995

Ms. Caroline Kwan
