V. I. PORT AUTHORITY (VIPA)

Carlton Dowe, Executive Director

(340) 774-1629 (St. Thomas)

(340) 778-1012 (St. Croix)

www.viport.com

The Disadvantaged Business Enterprise (DBE) Programs of the *Virgin Islands* of the *Virgin Islands Department of Public Works, Virgin Islands Port Authority* have prepared a **DBE DIRECTORY OF FIRMS**, containing information related to businesses owned and controlled by minorities and women currently certified with the Uniform Certification program.

The firms listed have met all certification standards set forth in the Code of Federal Regulation (CFR), Title 49 - Transportation. Contractors use the Directory as a basic resource for soliciting participation on Department of Transportation (DOT) - assisted projects. If a firm is not certified as a DBE, A contractor cannot receive credit toward achievement of the DBE participation goal by using the firm.

This Directory is widely disseminated to other government agencies, contractors and the general public. The information included is intended for reference only and is consistent with the DOT Regulation 49 CFR, Part 26.

ATTENTION

All previous issues of this directory are obsolete. Changes to firm information are **highlighted**. Any information duplicated or stored privately is the responsibility of the DBE firm. All DBE firms are encouraged to compare and update such information as new directories become available.

ATTENTION

The firms included in this Directory are certified as Disadvantaged Business Enterprise (DBE)s by the Virgin Islands Uniform Certification Program. Certification as a DBE does not pre-qualify a firm to bid on specific projects. It is the contractor's responsibility to ascertain the DBEs ability to perform on any given project.

ORGANIZATION OF DIRECTORY

This Directory is divided into three Sections:

- Section I - DBE firms are indexed by page numbers and district
- Section II - DBE firms are listed alphabetically with all pertaining information
- Section III - DBE firms are categorized in the traditional contracting fields

UNIFIED CERTIFICATION PROGRAM

The Code of Federal Regulation (CFR) 49 Part 26, Subpart E § 26.51 (a) states all Department of Transportation (DOT) recipients in the state or territory must participate in a Unified Certification Program (UCP). The UCP intends to adhere to and embed the existing common application procedures to the uniform certification process to ensure reductions in administrative costs and provided more opportunities for small business concerns owned and controlled by DBE's. Any government agency certifying has the responsibility to ensure that these programs promote competitive viability of small disadvantaged concerns in the free market enterprise system; ensure that the certification process is in accordance with Federal Regulation 49 CFR, Part 23 and 26 in "narrowly tailoring requirements in increase effectiveness and reduce burdens", in providing a one-stop shop certification process. In furtherance of this the **Virgin Islands Department of Public Works** will be lead agency coordinating with the **Virgin Islands Port Authority** to establishment the Unified Certification Program within the Territory. The purpose of this UCP agreement is to identify reciprocal certification requirements of United States Department of Transportation (DOT) Regulation 49 CFR, Part 23 & 26. This UCP process agreement is intended to reduce the procedural burdens on applicants; fulfill the requirements of paperwork reduction; and reduces confusion caused by multiple and potentially conflicting outcomes in certification decisions. Such criteria shall include but not be limited to on-site visit, personal interviews, licenses, analysis of stock ownership listing of equipment, analysis of stocks capacity, listing of work completed, resume of principal owners, financial capacity, and type of work preferred (where applicable). The national standard application will be used in accordance with the final rule.

The purpose of this UCP agreement is to identify reciprocal certification requirements of United States Department of Transportation (DOT) Regulation 49 CFR, Part 23 & 26. This UCP process agreement is intended to reduce the procedural burdens on applicants; fulfill the requirements of paperwork reduction; and reduces confusion caused by multiple and potentially conflicting outcomes in certification decisions. Such criteria shall include but not be limited to on-site visit, personal interviews, licenses, analysis of stock ownership, listing of equipment, analysis of stocks capacity, listing of work completed, resume of principal owners, financial capacity, and type of work preferred (where applicable). The national standard application will be used in accordance with the final rule

2017 U.S. NAICS Titles

NAICS is the North American Industry Classification System. Federal procuring agencies, since October 1, 2000, must use the proper NAICS codes and sized standards in their procurement solicitations. They will use the NAICS code that best describes the principal purpose of the product or service they intend to acquire. How do you find your NAICS code? NAICS Association Lookup up naics.com. Simply enter your product or service in the description area and then locate your business area. Below are some of the more commonly used codes in the DBE Directory:

- 238350 Carpentry Contractor
- 237130 Alternative Energy
- 237310. Highway, Street and Bridge Construction
- 237990. Other Heavy and Civil Engineering Construction
- 238110. Poured Concrete Foundation and Structure Contractors
- 238120. Structural Steel and Precast Concrete Contractors
- 238140. Masonry Contractors
- 238190. Other Foundation, Structure and Building Exterior Contractors
- 238210. Electrical Contractors and Other Wiring Installation Contractors
- 238220. Plumbing, Heating and Air-Conditioning Contractors
- 238320. Painting (except roof) Contractors
- 238910. Site Preparation Contractors
- 238990. All Other Specialty Trade Contractors
- 324121. Asphalt Paving Mixture & Block Manufacturing
- 331419. (Welding Services)
- 333249. Other Industrial Machinery Manufacturing
- 423860. Transportation Equipment and Supplies (except Motor Vehicle) Merchant Wholesalers
- 424930. Flower, Nursery Stock and Florists' Supplies Merchant
- 444120. Used Car Dealers
- 444190. Other Building Material Dealers
- 454319. Other Fuel Dealers
- 483211. Inland Water Freight Transportation
- 484110. General Freight Trucking, Local
- 532412. (Heavy Equipment Rental)
- 532490. Other Commercial and Industrial Machinery and Equipment Rental and Leasing
- 541310. Architectural Services
- 541320. Landscape Architectural Services
- 541330. Engineering Services
- 541611. Administrative Management & General Management Consulting Services
- 541618. Other Management Consulting Services
- 541720. Research & Development in the Social Sciences and Humanities
- 561110. Office Administrative Services
- 561612. Security Guard Services
- 561720. Janitorial Services
- 561730. Landscape Services
- 562111. Solid Waste Collection
- 562112. Hazardous Waste Collection
- 562998. All Other Miscellaneous Waste Management Services
- 811310. Commercial & Industrial Machinery & Equipment Repair & Maintenance
- 811412. Appliance Repair and Maintenance
