NOTICE.

THIS is a reminder to all roadholders that the annual inspection of the Public roads will take place in the month of January 1923.

The repairs should be completed before the 31st Dec. 1922, when all bridges, side-walls, etc. shall be whitewashed. Special attention should be paid to the "Quarter Jobs" coupled within the past year, and when necessary, re-whitewashed. Up to the present, with the exception of the weeding of the roads, very little has been done, and it is imperative that all holes in the roads, especially the Center line, should be immediately filled. Much harm has been done by the late showers and neglect of attention to this special work.

EDGAR W. MEYER,
Chairman Road Commission.
