GOVERNOR MAPP NOMINATES TWO MORE CABINET MEMBERS

(St. Thomas, March 9, 2015) Governor Kenneth E Mapp and Lieutenant Governor Osbert E Potter held a press briefing today at Government House on St. Thomas. During the press briefing Governor Mapp announced two more nominations to the cabinet.

Attorney Dawn Henry, has been nominated to the position of Commissioner for the Department of Planning and Natural Resources. Attorney Henry brings a multitude of experience and talent to the position of commissioner. "Attorney Henry is a product of our public education system. I am truly honoured to appoint her to the Department of Planning and Natural Resources, there are a lot of issues to tackle in our balance to protect the environment and yet grow our economy through development" Governor Mapp stated.

Mona L Barnes, has been nominated to the position of Director for the Virgin Islands Territorial Emergency Management Authority. The governor remarked "Ms. Barnes has the training and possesses the leadership skills to direct VITEMA, and I would like to thank her for her willingness to serve the people of the Virgin Islands."

The names of the nominees will be forwarded to the 31st Legislature for further consideration and approval, later today.
